Electrolux Professional Group

AMERICAS

WORKING TOGETHER FOR YOUR BETTER TODAY, BETTER TOMORROW, BETTER FUTURE.

Your Partner in Commercial Foodservice, Beverage, and Laundry Solutions. Welcome to Electrolux Professional Group Americas, one of the leading providers of professional food, beverage, and laundry solutions for the foodservice and hospitality industries across the Americas.

At Electrolux Professional Group Americas, our mission is to create a **better today, tomorrow, and future for our employees, communities, and customers**. We do this by empowering businesses with innovative foodservice, beverage, and laundry solutions designed to make our customers' work-life easier, more profitable, and truly sustainable every day.

We are part of a worldwide team of approximately **4,000 employees, serving over 110 countries with exceptional products and services manufactured across 13 global facilities**. And here in the Americas, we proudly manufacture and distribute a diverse portfolio of both our globally and locally manufactured products from our Mississippi, Michigan, and Kentucky locations.

We are home to a **diverse family of brands that reflect a deep understanding of the unique needs of our customers**. Each of our brands offers a comprehensive portfolio of products dedicated to solving the most difficult challenges in the foodservice, hospitality, and commercial laundry industries.
